

Page 1: Credit / Debit Card Authorization Errors & Host Timeouts

Error Code: Buypass Error 91 - Host Timeout

Cause: The payment gateway failed to respond within the 15-second timeout window.

Resolution:

1. Verify broadband internet connection on the main store router.
2. Confirm Buypass primary IP address in POS config: 192.168.10.50 (Port 8443).
3. Run Buypass Diagnostic Ping tool from register: 'C:\LOC_SMS\Bin\BuypassDiag.exe -ping'.
4. If batch fails to settle at end of day, force manual batch settlement using Manager Function 402.
